

New Hampshire Snowmobile Association, Inc.

614 Laconia Road, Unit 4 • Tilton, New Hampshire 03276 • (603) 273-0220 • FAX (603) 273-0218

Why Should You Join The New Hampshire Snowmobile Association?

Every year, millions of people bundle up, go outdoors and participate in an activity that generates over \$586 Million to the total impact on the New Hampshire economy and over \$26 billion worth of economic activity in North America-snowmobiling. Snowmobiling is a favorite winter recreation activity in North America, and it continues to grow.

The New Hampshire economy thrives on tourism and hundreds of thousands of its citizens depend on tourism and recreation for their livelihoods. **By becoming a contributing member you can provide visibility to your business as one that snowmobilers will patronize.** Snowmobilers love to spend money on their sport and are always looking for accommodations, restaurants, gasoline, guide services, snowmobile sales, rentals, repair and parts and good old local knowledge of trails and conditions. The popularity of snowmobiling is growing at an amazing rate as it provides a perfect way to enjoy winter and share family values.

Founded in 1969, the New Hampshire Snowmobile Association (NHSA) is made up of 110 independently incorporated non-profit snowmobile clubs, working together as a unified voice at the local, regional, state and federal level to promote snowmobiling in New Hampshire as a safe, fun, family oriented winter sport.

New Hampshire is nationally recognized for its wealth of wide, well-groomed snowmobile trails. The local clubs are the backbone of snowmobiling in New Hampshire. The well-maintained snowmobile trails that everyone enjoys are due to an enormous volunteer effort by the snowmobile clubs throughout New Hampshire. The local clubs have the responsibility for much of the trail clearing, bridge building, maintenance, signing and grooming. Without these dedicated hardworking volunteers around our picturesque state, snowmobiling wouldn't be the sought after sport that it is.

Recognizing the fact that your business can benefit directly or indirectly from snowmobiling spending, the New Hampshire Snowmobile Association (NHSA) offers a Dealer and Contributor Membership for \$50.00 per year. For becoming a member, supporting businesses receive a one-year subscription to *SNO-TRAVELER*, the official publication of NHSA; a bold listing in a special section of the newspaper; a listing and/or hot link on the NHSA web site and a membership certificate to display.
