* Ref badges are earned by passing a course provided by the Area/Region to teach referee requirements. The Referee Administrator(RRA) in each region is allowed to set the maximum allowed level for each Referee to Center a game or Assistant Referee a game. Therefor in some cases an experienced referee with a lesser badge can have AR privledges extended to upper divisions with the RRA's approval and with the approval of the Area administration. Intermediate and Advanced badges require both a course and assessment/observation to be allowed to Ref upper division games.
