Come along and see how you can best support the school.

Congratulations to our Girls' Gaelic Team who competed in the Cuman Na Bunscoil East Down Blitz. A local Principal said that they were an absolute credit to our school and that the future certainly looks bright for girls' football in Down given the wonderful skill on show at the tournament. The team included pupils from P5: Kelsey. P6: Sophie, Olivia, Katie, Ellen, Ellie-Mae, Aoise and Charlotte and from P7: Kirstin, Ellie and Aishling.

The Skipathon raised £2,267.00 for our school requisition. For 2019-2020 each class has £250.00 to spend on stationery and resources. Last year they were allocated £150.00, so the fundraising makes a significant difference to your child's education.

Please support the Pub Quiz, have a good night out and support our pupils at the same time.

Also, the Parents' Council are meeting on Wednesday 29th May at 7:00pm, come along and share your ideas.

It would be great for P2-7 pupils to support the P7 pupils who have worked hard to plan and organise this real-life business enterprise.

and donate to Cedar IPS while you do your shopping online. It does not cost you anything. Thank you to the 112 supporters who have already signed up to easyfundraising and yes, it is so straightforward.

With the better weather more children are walking to the play park after school. The children's safety walking along the Kilmore Road, crossing at the roundabout and their behaviour in the park is the responsibility of Parents/Carers and not the school.

Any previous incidents have been as a result of lack of supervision with adults not in attendance at all or sitting in their cars. Please make sure whoever is collecting your child(ren) from school are fully aware of their responsibility in this regard.

Remember you can recycle the white t-shirts that are no longer white, the school trousers with the hole at the knee, the sweatshirts with no cuff and the single socks. This year we have received £244.00 towards school accounts from items of clothing being recycled.
