

2019 Walk of Hope New Jersey

SUNDAY, APRIL 14, 2019

Washington Lake Park, Sewell, NJ

8 a.m. registration | 9 a.m. start

Provide support, education & advocacy for the infertility community

The Second Annual Walk of Hope is proud to be the largest walk in the South Jersey region raising funds for the local infertility community. The first \$15,000 raised will be donated to the local nonprofit Keeping Hope Alive so they can provide an IVF grant to a local family. The remaining funds will be donated to RESOLVE to benefit legislation, education, and support both nationally and locally. Your contribution will positively impact families and support systems in our area.

2019 Goals:

- 500 registered walkers
- \$50,000 in sponsorships/donations

Why sponsoring the Walk of Hope matters:

- 1** Supports current and potential patients
- 2** Fully tax-deductible donation
- 3** Expands your practice's presence and branding
- 4** Adds value to your practice through community engagement
- 5** Nationally recognized walk—local impact, national recognition

Sponsorship opportunities range from \$75—\$3,000. Package details are attached.

Contact Drew Polin to secure your sponsorship: Drew@opdecision.com
