

Kidz Kamp Texas is coming!
And we are ready to overflow!

JULY 18-22, 2019

It's time to start planning and thinking about kamp. I know we have! We wanted to give you a sneak peak! We hope you plan to make kidz kamp your churches camp destination at Latham Springs this summer, July 18-22. (Thurs. pm - Mon. am)

Our **FLOW** theme is designed to give your kids a chance to **KNOW....GROW.....and GO!**

What happens when the main source of knowledge flowing to our kids comes from all kinds of crazy places? All kinds of things can happen...they may back up with all kinds of dirty junk, they might get stopped up or clogged up, or they may not filter out all the junk and it dirties the water. You get the idea! But, at kamp this summer, we want to talk about how your kids can make Jesus and God's Word their main source of flow through out their everyday life? Then, what they **KNOW** flows through to purify and guide them. When Jesus and His Word are flowing, our kids then **GROW**. And finally, what they **KNOW** and how they **GROW** should eventually burst forth so they **GO** out into the world to make a difference. We want your kids to have the kind of **FLOW** in their life that makes a difference for the Kingdom of God.

Get ready to help your kids with some neat tools that will get God's Word to flow into their hearts and minds. Our worship time, teaching time, and small group time will all flow together into one awesome burst of God's power overflowing into their hearts. And let's not forget that kids can learn in the flow of some crazy and challenging rec games that will not only get them excited, but also be another connecting piece of their pipeline to leave as kids who want to have that Jesus flow.

Robert Burkhart and the Crossroads band will be back with scripture songs, crazy kid songs, and a meaningful worship time as well. Derek Nease will lead out each evening with the main **FLOW**, and that will set the pace for how all the learning opportunities will flow into the next day. And you will not be disappointed, as we have a few surprises that will burst out all over us throughout the week.

Here's our scripture verse for the week:

The Lord will guide you continually, giving you water
when you are dry and restoring your strength.
You will be like a well-watered garden,
like an ever-flowing spring.
Isaiah 58:11

Here's what you can do to get ready for camp and help us!

1. Check out our new **WEBSITE**: kidzkamptexas.com

An **ADDED FEATURE** this year is our **online registration form** and **church submission form**.

You can send your parents or counselors to our website, have them click the "Parents" section or "Counselor" section and then they can download and fill out the registration form online. Once they have completed the form, they can go to their church submission form listed and fill out the submission form and upload their completed registration form. You will receive an email notification that a registration form has been submitted and that form should be an attachment on that email.

NOTE: Unless they have Adobe Acrobat and can add a signature on the form, you will have to secure their signature at a parent meeting or before you leave for camp.

Registrations forms can also be downloaded, filled out on line, printed, signed and a hard copy turned in to you.

Another **ADDED FEATURE** is that we also have a **pay online** option. THIS OPTION IS ONLY FOR CHURCHES TO MAKE THEIR DEPOSIT PAYMENT AND/OR FINAL PAYMENT. **This option is not for parents** to individually go in and make their child's payments to attend camp. Your parents will still need to write a check to your church or use an online payment option through your church to pay for their child's camp fees. Churches are requested to send one church check for your camp deposit and final payment. You also have the option to make your deposit or final payment using our online option on our website. Simply fill out the Deposit Submission Form and eventually the Final Payment Submission Form. This will guide you to a Pay Pal site where you can then make your payment. (When you make your deposit payment – in the pay pal section it will request you to enter the estimated number of campers you plan to bring and will calculate your total x \$25.)

2. **LOGO.** We have attached the logo as a download so you can use it to create a flyer or add it to information you use for your church.
3. **QUESTIONS.** If you have questions about camp, please call or send us any questions. You can send these questions by email using our "contact us" tab on our website: kidzkamptexas.com. Feel free to call Cyndi if you'd like to speak to someone personally. (254-644-9726) We are also glad to come out to your church or another church that is interested in our camp and talk about camp with the leadership.
3. **FEES.** Be sure and make note of our camp fees, dates, and "reserve your spot" dates on the website.
Camp fee is \$215. (Fees go up after our May 12th deposit deadline.)
The Standard Registration fee from May 13th – July 11 is \$230.
Late Registration fee beginning July 12 is \$240. (This is a \$10 processing fee for late registrations.)
4. **CAMP DEPOSIT DUE: May 12:**
Your deposit is a \$25 fee per camper/counselor you estimate you will bring to camp. By sending in your deposit, you are guaranteeing the \$215 rate. (For example: If you estimate you will bring 25 campers and counselors, you would calculate your deposit as follows: $\$25 \times 25 = \625 . You would need to send a church check or pay online \$625. You now have at least 25 campers/counselors who can come at the \$215 rate.)
DEPOSIT PAYMENT: Use the Deposit Submission Form and the Pay Pal option on our website.
Mail a check to this address: Kidz Kamp Texas c/o Crossroads Fellowship 405 Estates Dr. Woodway, Texas 76712
*Make checks payable to: Kidz Kamp Texas.
5. **VERBAL AGREEMENT. February 15**
PLEASE EMAIL/TEXT YOUR CHURCH PLANS TO BE AT CAMP THIS SUMMER.
