Bernd Opolka elected new President of the EAC

Brussels, 2010-10-21 - The former Secretary General of the Automobile and Travel Club Germany (ARCD) was elected new President of the European Automobile Clubs EAC for the next three years.

„Economically and financially independent, the EAC can fully focus on promoting road safety and the harmonisation of road traffic regulations. It is representing its members and considers itself as a neutral and independent association without any economic interests. This is what makes us a reliable partner in Brussels“, Opolka stressed during his inaugural address.
