Intercession

- We pray Matthew 6:10, that Your Kingdom would come and Your will be done on earth as it is in heaven... in Colorado...in us, in every situation and spherethat we would be carriers of the Kingdom and everywhere we go, just like Jesus the Kingdom would come near.
- We ask for Revelation 21:23 & 24....that we would have no need for the sun or moon because the glory of God would illuminate our cities and the inhabitants of Colorado....that all would be saved, walking in His light, authority, will and glory.....imparting it in Colorado.
- We declare Isaiah 48:17 over us....that God directs and teaches us the way to go in Colorado....that His will is done in Colorado, the Nation and in our hearts....that we are paying attention and are willing to walk in His ways.
- We ask you Lord to do in Colorado what you did in the Book of Ezra....that the hidden laws, things of you, would come out and there would be a resurgence of God's laws, as a tutor, to be read and heard.....to prepare hearts to hear His truths and understand them from a place of repentance...we are under grace but need to know God's ways with the help of Holy Spirit.

- We send truth and light into the darkness that has been in the schoolsthat parents will boldly take up the banner to fight for godliness and truth in our schools and fight for it.
- We invite God into the government sphere....Matthew 6:10...especially the elections this year....we declare they will be righteous, orderly and true...that God would seat His government, which is upon Jesus shoulders, at the federal , state and local levels.
- In this election year, we cry out for our government to not be hostile to God's government...that God would rule and reign through our leaders.... that Colorado and the Nation would reflect God's values and Kingdom ...that the people would come under obedience to Christ.
- We appeal to you God for our Colorado House, Senate, Executive, Administrative and Judicial branches to have Kingdom ordered restored in them...that the crooked places would be made straight and realigned with Your purposes and plans in all branches of government.

- We ask God to touch every broken heart and make them whole...give each person the desire to be
