SUPPORT SERVICES

The Success Kit **Connect** program connects members with experienced professionals and top leadership experts. You'll receive private coaching sessions and participate in group discussions. If you're struggling, we'll provide the guidance and resources you need to get back on track. You're not alone. We're here to help.

How to Connect:

- **Expert Advice** – Monthly interview with a successful businesswoman. Learn from these experienced women willing to share their expertise with you. Members submit questions during live interaction with these leaders.
- **Peer Learning** – Weekly case study based on real-life situations you'll encounter at work.
- **Peer Mentoring** – Exclusive online access to quarterly Facebook Group discussions with peers on relevant management topics.
- **Original Content** – Feed your mind with content on business and management concepts.
- **Resource Library** – Unlimited access to all management templates, checklists, and more added during your active membership.
- **Private Coaching** - One 30-minute coaching session per quarter.

MOTIVATIONAL TOOLS

Success Kit Membership also includes **Mastering Confidence**, a program designed to help you conquer your fears.

"I'm not good enough. I'm not that talented. I don't think I can do this." Does this sound familiar? You are your own worst enemy. Stop letting your inner critic ruin your life! This online course will help you discover your true power and defend your value. Find your path to happiness, success and better relationships.

How To Master Confidence:

- Explore the root causes of negativity. What is it and where does it start?
- Learn to turn off the self-critic.
- Confront, embrace, and conquer your fear of rejection, and feelings of low self-worth.
- Reshape your thinking for success.

Program Includes:

- Recorded presentation
- Script/Notes for each presentation
- An exercise to supplement each lesson

Shine Your Light

You are bigger than your insecurities. You have magnificent talents and abilities that are buried under negativity and doubt. This course will help you access the creativity and fearlessness that's been suppressed.

Society teaches women to be meek, reserved and apologize for being ourselves. We're going to help you rewire your mindset and reverse those gender norms. You have the potential to achieve success if you just unleash your true inner self.

This four-week online course will equip you with the tools you need to master confidence. Each week, you'll receive an email with exercises, lessons and reading materials that will teach you how to tap into your full potential. You can start the course whenever you have time.

EDUCATIONAL RESOURCES

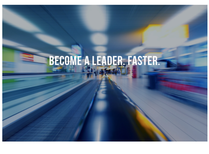

The Success Kit also includes **The Management Fast-Track**. Get a crash course in leadership with our quick management class. With short lessons, inspirational messages, and action plans, you'll improve in no time. In just 10 minutes per day, you'll learn to lead with confidence and purpose. Guaranteed!

How To Strengthen Management Skills:

- Be mentally prepared to accept the promotion. Don't let fear hold you back!
- Stop thinking tactically and start thinking strategically.
- Communicate clearly with team members and others.
- Learn which tasks can be delegated.
- Let go of diminishing behaviors.

Program Includes:

- Weekday action steps
- Milestones
- Reminders

10 Minutes Will Change Your Life

Have you just been promoted? Are you having trouble adjusting to your new role? Would you like to take your leadership skills to the next level, but don't have time to invest in education?

If you answered yes, now is the perfect time to start the Management Fast-Track! Schedule 10 minutes out of your day to follow the simple Action Steps and watch your confidence, purpose and focus soar.

Each week day we'll send you short, but effective, exercises. Set aside the time during your lunch hour to reach these milestones with ease. The Action Steps will prepare you mentally, identify weak spots and boost your confidence.
