1) Why is this mediation including Sherri Evans and Todd Zucker when they had already withdrawn from my case? They were no longer my lawyers.

2) Who were they representing?

Robin, any of those works for me, but we have filed a motion to withdraw as counsel, as has co-counsel Sherri Evans, and they are set for hearing on Wednesday morning.

Ms. Meigs has engaged new counsel, Mr. Rodney Castille, who has filed a designation of additional counsel with the Court, and he would need to be included in the call. I have cc'd him on this email.

Rodney, could you please let Robin know of your availability. Thanks.

Pursuant to paragraph 7 of the Mediated Settlement Agreement, which was signed by all counsel, the parties agree to attempt to resolve their differences by a phone conference with Trey Bergman. Mr. Bergman is available for a conference call with all parties at 9:00 AM on Tuesday April 12th, Thursday April 14th and Friday April 15th. Please let me know your availability for this call.
