Besides, Sewa Kendar at Bathinda was attempted to be set on fire. A telephone exchange at Barnala was also attempted to be set on fire. Moreover, power grids at Sangrur and Kot Kapura were also attempted to be set on fire. Army has been called at Mansa, Malout and Kot Kapura where curfew has also been imposed and 25 incidents of setting on fire by molotov cocktail bombs are reported. However, no casualty has been reported so far.

Mr. Baldev Raj Mahajan, Advocate General, Haryana has informed that curfew has been imposed at Panchkula and some media vans have also been set on fire. However, there is no specific information of any loss of life so far. It is also informed that there was a 'lathi' charge at Jind.

Mr. R.S. Rai, Senior Advocate/Public Prosecutor for UT, Chandigarh has informed that the situation in UT, Chandigarh is peaceful, but the State is on high alert.

Mr. Satya Pal Jain, Senior Advocate/Additional Solicitor General, Government of India has informed that 28 Companies of CAPFs have been deployed for Chandigarh. It is further submitted that in addition to 40 Companies that have already been given to State of Haryana, nine more Companies have also been given.

Mr. Anupam Gupta, Senior Advocate has submitted that this is a stage where the police has to show its tough

stand to tackle the situation and any police official/officer wanting in his duty, needs to be sternly dealt with.

Mr. M.S. Joshi, Advocate has submitted that it is the State of Haryana which is responsible for all lapses. In fact an advisory had been given by the military authorities in 2010 of the weapons and military training being imparted to the Dera followers inside the Dera. Despite the intimation, it took no action.

Ms. Tanu Bedi, Advocate has submitted that the Police must act firmly and with confidence against those who want to take law and order in their hands. The police must act firmly and be unrelenting in their pursuit against those breaking the law.

We have given our thoughtful consideration to the submissions as have been made by the learned counsel.

We are of the view that in the facts and circumstances the States of Haryana and Punjab as also UT, Chandigarh shall ensure that peace and law and order is maintained at all costs. The Police Officers must act and perform their duties to the full. There should be no lapse on their part in the performance of their duties. They should be unrelenting in performing their duties at this critical hour. Any officers found wanting in performance of their duties would be sternly dealt with.

It is made clear that whosoever has been instigating and inciting the crowd that has gathered to commit these acts of arson and violence, they would be sternly dealt with. The damages that are caused to public and private

properties shall be recovered from them. Respondent No.7 – Dera Sacha Sauda shall submit a list of its assets and properties which can be attached in case it is found that they and their followers are responsible for the said acts.

All Judicial Officers at Panchkula shall forthwith be provided security by Para Military Forces round the clock. It has been reported by some of members of the Bar that they have been informed that Police have been seen running from the places where the incidents of violence had occurred. They ran away on the arrival of the Para Military Forces. The police officials, if any, who are responsible for this, should be taken to task.

Mr. Mahajan, Advocate General of Haryana shall verify this position and submit a report in this regard and in case anybody had run away, the name of that officer/official shall be submitted in Court.

Keeping in view the fresh eruption and violence in State of Punjab, the Central Government is directed to provide more security with Army backup.

Since the curfew has been imposed in Panchkula city, learned Advocate General, Haryana shall make arrangements that the lawyers and Court staff of Punjab and Haryana High Court and other public persons who are to return to their houses are escorted to their houses or are given curfew passes.

The members of the Bar have requested that this case be taken up tomorrow i.e. on 26.08.2017.

We accept their request and the case is listed for hearing on 26.08.2017.

Meanwhile, learned Advocate General, Haryana and learned Advocate General, Punjab shall also obtain the status reports regarding law and order situation from each District from the police administration. The same shall be submitted in Court tomorrow.
