Thank you.

I was referring to the court record attached. I'm not asking to change historic records, just that the address has been updated. I expect that Justin will be treated the same as every other student and in accordance to your (many) emails.

To be clear, my complaint to the board is to address the letter you wrote to the court, without a subpoena.

Mr. Lineberry, Please do not copy Justin Cook, the minor child, on any further communication between myself and the teachers. This is unprofessional, unethical (especially considering that you know what we are dealing with), and likely illegal. I will be contacting the AZ Board of Education to make a formal complaint.
