Hello Dr. Dorathy~

Justin tells me that he is attending a school event that is scheduled through the night, although I cannot seem to find any information on this to confirm.

Can you send me the email or flyer or any information on this school event please.

Thank you,

Michelle Pettitt

Ms. Pettitt,

There are no "overnight" events planned through the end of this year or any year. I do not know what Justin is referring to. There is a dance tomorrow night and if he is on the committee to clean up, they may not be through until 11:30 p.m to 12:00 am. However, that is the only event that would require a "late" evening.

Sincerely,

This is the email lineberry is referring to when he says that I falsified a school event and accused the school of hiding it from me.
