

DR. MICHAEL HARRIS

Dr. Michael Harris is one of the founders of San Francisco Voice for Israel, which is now the Bay Area chapter of StandWithUs. Founded in 2004, SF Voice for Israel has countered anti-Israel demonstrations, to provide the public and the media with an alternative to the lies being promoted by organizations such as International ANSWER and Jewish Voice for Peace. It has also done proactive public outreach at community events and brought pro-Israel speakers to the Bay Area. As part of StandWithUs, founded in 2001, the group is now part of a worldwide Israel education organization with chapters across the US as well as in Europe and Australia.

In his role with the group, Dr. Harris has made appearances on radio shows (both in the US and in Israel) and television news reports as a local spokesperson, countering misinformation about Israel. He's given speeches to large groups at synagogues, churches, political organizations and senior citizen centers throughout the San Francisco Bay Area. In addition, he's been in the trenches, standing up for Israel against anti-Israel demonstrators on the streets of San Francisco and Oakland for nearly a decade. In his spare time, he is a pediatrician in Marin County, California.
