STRATEGIES FOR SUCCESS™

STUDYING AND TEST-TAKING MADE FUN!™

PREPARATION FOR

Oct 5th SAT Exam/Sept 14th & Oct 26th ACT Exams

"I took the Jantzi Test Prep course in my sophomore year and it completely changed my perspective on how to take standardized tests. The strategies I learned along with the course materials I worked on raised my scores considerably. I have a 28 now and I plan on taking advantage of the free repeat privilege to get my scores higher so I can earn even more scholarships."
