

MEN'S SECTION COMMITTEE MEETING

5th July 2019

10.00am

Present: D.Richardson – Chair L.Wise – Secretary

Committee: J.Lovatt, R.Maule, N.Smith

1. LW advised that J.Dodd had verbally tendered his resignation from the committee on Saturday 29th June following a disagreement regarding team selection.

DR elaborated on the subject disagreement: JD had disagreed with the positions two members had been selected to play in by the selection committee on Friday 28th June. He had subsequently altered the playing positions of the two members (playing in the same rink). He had not discussed the matter with the Team Captain. The Team Captain had been approached by one of the two players who had been dismayed that his position of Skip had been changed without discussing the matter with him. DR discussed the matter with LW and it was agreed that the original rink placements should stand, as selected by the selection committee. JD subsequently tendered a verbal resignation from the Men's Section Committee.

The actions taken were unanimously supported by the committee. JL reported a further disagreement with JD regarding transport arrangements to the Clegg Cup away fixture to Crawford Park on 3rd July. RM had indicated on the Team Selection sheet which players he would transport. JL, on checking the selection sheet had noted that several players were not shown as having arranged transport; he then contacted several of them to make arrangements. Meanwhile the Team Captain had become unavailable to play, and had asked LW to arrange a substitute and to advise the reserve player that he would be required to play. The reserve player was not shown on the selection sheet as having been allocated any transport. LW then arranged to take over RM passengers and offered the reserve player transport. It would appear that alternative transport arrangements had been made by JD, but not added to the selection sheet. Confusion followed, with JD eventually travelling alone to Crawford Park.
