1. It was decided to purchase a new clock for the clubhouse to replace the defective one. J.Dodd was give authorisation to carry out this purchase.
2. The council has not yet indicated when the water tank leak will be repaired.
3. The Club has been informed that the electrical supply will be transferred from the current connection in the Civic Centre offices to its own supply point which will be metered. This will be done shortly, the actual date has not yet been set. We will need to assess how our current usage occurs and to what extent.
4. Teams selected for week commencing 5<sup>th</sup> August.
5. No further business.
