

Kellzzz is an interdisciplinary artist focusing on music, design, & photography. His style is from the bottom up with a raw, melodic soul, trap, RnB, vibe.

KELLZZZ

---

Kellzzz is an ADZKN artist anchoring as a musician who is very dedicated to his city roots. His raw expressive style of melodic lyrics mixed with a soulful versatility of stories captures audiences from the bottom up. Kellzzz is a Resurgence fellow with The Aadizookaan and is currently leading the wave of arts & culture innovation through entrepreneurship & community development in Detroit.

**KELLZZZ**

Kellzzz works in the trenches, and on national & international arts projects with his team.

forget being 100, ima be one million

but it feel like my heart gone, cuz i cant even feel it

people out here trippin, people out here killin children

i keep picturing my goals and how im gonna great near em
