

Kazzy the Gypsy

Kaz is a young interdisciplinary artist specializing in music production, sound design, and live performance.

Kazzy the Gypsy Biography

Being an experimental hip hop artist & musician, he architects a vibe combining elements of rap, jazz, alternative rock, rhythm & blues that bring audiences through an uplifting experience with the cultural legacy of Detroit.

Kazzy is apart of the Resurgence Fellowship with The Aadizookaan, and he is sharpening his interdisciplinary artistry skills producing innovative projects with foundations in music, film, design, and storytelling. He is a teaching artist and organizer with the “MAWADISIDIWAG” & the “ADZKN HQ” projects.

Building community around the country, he provides live performances, workshops, and cultural work that are rooted in healing, education, and artist excellence pulling creative energy from the universe.
