

T-Shirt Yarn Potholder

By Michelle Greenberg

Difficulty Level

Pattern

Using a T-shirt yarn and a needle size that is a tight but comfortable gauge for your yarn, make a slip knot to cast on one stitch.

Row 1: Yarn over, knit 1

Row 2: Yarn over, knit 2

Row 3: Yarn over, knit all sts

Repeat row 3 until one side of your potholder is 8 inches (20cm)

First Decrease Row: on the next row, yarn over, ssk (slip 1 stitch knitwise, slip the next stitch knitwise, knit them together through the back loop). Knit to the last two stitches and knit two stitches together.

Repeat the decrease row until you have 4 stitches left on your needles.

Yarn over, ssk, pass the yarn over over your stitch. Then knit the remaining two stitches together.

With two stitches left on you needles, bind off. Cut your yarn and thread the yarn through the last stitch. Weave in your ends.
