

Addressing Challenging Behaviors in Children with Autism

Presented by Anna Pedue MA, LPC, BCBA and Kim Perrin MA, OTR/L, BCBA

Wednesday, June 5, 2019

6:00pm to 7:00pm

MacDonald Public Library Community Room

(36480 Main Street New Baltimore, MI 48047)

Join Board Certified Behavior Analysts (BCBA), Anna Pedue and Kim Perrin, as they explore aspects of behavior in children with Autism. Both Anna and Kim have extensive knowledge and experience working with individuals and families impacted by Autism Spectrum Disorders. Please join us as we discuss the following topics:

- How to identify challenging behaviors
- Understand why certain behaviors occur
- Strategies and interventions to implement within the home
- Safety strategies for common behavior concerns
- FREE Summer Safety Kit for all in attendance

This presentation is FREE to attend, but space is limited.

Please RSVP at autism@accfmi.com to reserve a place.
