

Name: Moai B/01

Design: Gonzalo Milà / 2017

Typology: Bollard

Environment: Outdoor

Technical description:

Moai is a product intended for outdoor areas where a robust product is required and a smooth, indirect and soft light emission signals the pathway in which it is located. Made in concrete reinforced with fiberglass powder, the internal fixed base to the surface is Inox 316.

These bollards have 2 fastening systems:

A- By surface screwed to the surface.

B- By foundation to the ground. The luminaire does not include surface-mount lugs.

Lamps description

Grounding: compulsory

Ready for mounting on normally flammable surface

TRIAC dimming system

6,5 W LED
 Led: 1 x 6,5 W LED
 Lumens: 850 lm
 CRI: 90
 Degrees Kelvin: 2700°

Voltage: 230V~50Hz

1 Box 49 x 28 x 32 cm

Vol.: 0,0439 m³

Weight: 13,50 kg / Net weight: 11,80 kg

Certifications:  **IP-55**

Photometrics made according to the position the lights are shown in the catalogue and price list.
