

# STUDIO SERIES™

## CUSTOM FOG-FREE VANITY MIRRORS

### Hand Crafted in the USA

All Studio Series ClearMirrors are custom made and hand built in the United States to your exact specifications. Pick one of our signature colors or you decide... any Pantone® color you want. Hundreds of other types of glass matting and surface mirror, including custom sizes and shapes are available.

Add a clear touch of daily luxury to your next bathroom project with Studio Series!

### Details

- Solid colored lo-iron glass border.
- Bevel-edge mirror.
- ClearMirror fog-free technology.
- Easy installation with low-profile Z-bracket hanger.
- Specify, size, shape and color
- UL listed. Elements pass extensive UL testing for safety and reliability.
- Made in the USA and covered by a 5-year warranty.
