## 2019 COMMUNITY GARDEN PLOT APPLICATION & WAIVER continued

### GARDENER AUTHORIZATION & RESPONSIBILITIES

The following guidelines outline the management of the community garden and its site property. These guidelines have been established by Denver Urban Gardens (DUG) and are provided to the property owner as a basis for a use agreement between the two parties. In turn, DUG provides gardeners with the authority and permission to use the garden site. We, as a community, have a responsibility to keep our community garden managed effectively. The community garden is a privilege, and everything works more smoothly when people are involved in its overall upkeep. Please also remember to treat your fellow gardeners as you would like to be treated.

DUG community gardens have a volunteer Garden Leader and are encouraged to form a Garden Steering Committee to collect the plot fee and DUG membership, assign plots, organize maintenance, and coordinate garden related activities. With your signature on page one of this document, you acknowledge as a participating gardener, responsibility for the following:

1. Participating in volunteer tasks such as weeding common areas, caring for community plantings and areas, caring for gardening tools, etc. by providing a minimum of \_\_\_ hours per month to the community garden. (Failure to contribute your hours will result in the loss of gardening privileges).
2. Submitting payment for the 2019 gardening season totaling \$ \_\_\_\_\_ for each plot. This plot fee covers a range of services including water and compost.
3. If for any reason you find you cannot care for your garden, you are required to notify the Garden Leader and/or Steering Committee and make arrangements with other gardeners to water and maintain your plot during your absence. If a garden appears neglected/abandoned (unwatered and/or overrun with weeds), you will be given ten (10) days notice to maintain your plot. After this time your plot will be re-assigned.
4. DUG requires water restrictions and conservation measures be followed. A gardener MUST remain on the premises while his/her garden is being watered. The garden cannot allow excess water to drain onto the street or adjacent property.
5. DUG Community Gardens are organic gardens. It is DUG policy to prohibit the use of non-organic pesticides, herbicides and fertilizers.
6. The maintenance of common areas and furnishings, fencing, trees, trash receptacles, compost bins, street and alley right-of-way, and water lines are the shared responsibility of all gardeners.
7. Gardeners must have their plot planted by \_\_\_/\_\_\_/19, or the plot will be forfeited and reassigned.
8. Each gardener is responsible for clearing his/her plot before the close of the season. All dead plants, weeds, trash, tools, sticks and cages are to be removed or stored by November 1 each year. All gardeners must tend their plots in compliance with DUG's Maintenance Guidelines, provided by DUG in each garden leader's manual.
9. Each gardener is responsible for conducting himself or herself in a civil manner that is mutually beneficial to all participants and to the garden as a whole. Unacceptable conduct generally includes, but is not limited to, vegetable theft, tool theft, profanity, offensive behavior, harmful verbal or written communications between or about fellow gardeners, or other incivilities associated with personal interactions as they relate to the community garden. DUG reserves the right to revoke your plot, at any time, due to any unacceptable conduct, as determined by DUG at its discretion.
10. If a gardener gives up their plot or the plot is revoked, the plot returns to the garden and will be assigned to someone on the wait list by the garden leadership.
11. Garden Steering Committees shall not discriminate on the basis of race, creed, color, national or ethnic origin, religion, marital status, age, sex, sexual orientation, gender expression, gender identity, disability, or military status in its garden membership and the administration of its programs.

### WAIVER & RELEASE

8. For gardeners at Denver Public Schools' and Jeffco Public Schools' school-based community gardens: Due to school policy regarding background checks for volunteers, I understand that if I wish to volunteer and support students directly, at least once per month or more, and in situations with the likely possibility where a school staff member or fingerprinted volunteer are not in a supervisory role, it is my responsibility to contact Denver Urban Gardens to complete the required fingerprint background check.
