Dear Council President Gómez:

Please accept this letter of endorsement of 3Roots, Mesa Canyon Community Partners' proposal for the former site of the Hanson Aggregates mine in Mira Mesa. On behalf of the board of directors of the Asian Pacific American Coalition (APAC), we support the vision to transform the property into a vibrant, mixed-use community.

The Asian Pacific American Coalition (APAC) is a community-based, non-partisan, non-profit 501(c)(3) corporation whose mission is to cultivate civic engagement to forward the voices of San Diego's Asian Pacific American community.

As one of APAC's sponsors, we've seen first-hand Mesa Canyon Community Partners' efforts to facilitate dialogue through community outreach and engagement. The project responds to San Diego's regional need for housing and is designed to reflect Mira Mesa's unique culture.

We encourage you to join us in our support of 3Roots.

Sincerely,
