SUMMER FUN CAMPS

Summer Fun camps give your child a summer they will always remember. Our summer fun camps provide an opportunity to make new friends, learn new skills and get the most out of classic camp activities. Each week has themed activities and a special event. Camps become more field-trip oriented as children get older to keep experiences fresh and new – even for those campers who have been with us for years. Join us for one week or for the whole summer and make memories and friends to last all year!

A typical day of Summer Fun camp is 9am-4pm.
Extended care is included at no additional cost
from 7-9am and 4-6pm.

Activities and special events are focused around the weekly camp theme. Campers are required to bring their dry-wick camp shirt to wear in the pool for each visit.
