Snow Angels

“Snowflakes are Angel kisses”

Dear Friend,

Much like a snowflake, so unique and beautiful, so too are the children and adults we serve at Ann Storck Center. Please join us this holiday season by becoming an Ann Storck Center Snow Angel.

The Snow Angels are a community of loyal donors that share their generosity with those who need it most, individuals with developmental disabilities.

Ann Storck Center serves as the central hub for those with special needs by providing vast resources such as Early Intervention Preschool, Hi-Ability therapy, Adult Day Training, Buddies over Bullies anti-bullying campaign, residential services, and the Expressive Arts program with music and art therapy.

Your gift will bring tidings of joy and delight to the more than 300 individuals we care for each and every day in the most enriched, therapeutic environment possible. Please become a Snow Angel this holiday season - your kindness means the world to us.

Happy Holidays,

Charlotte C. Mather-Taylor
