

Summer 2002

Renaissance Collection

*Premium Hardwood Doors,
Sidelites & Beveled Glass Inserts*

Venice

Truly unique, this elegant design exemplifies the artistry and craftsmanship inherent in every Bevel King Renaissance design. The graceful curves and bold, yet exquisite lines combine to achieve this dramatic entry.

The Venice is available in six foot eight inch full lite and three-quarter lite and eight foot three-quarter lite and two third lite premium hardwood doors. The quadrilateral symmetry of the design allows the sidelite to be positioned left, right or on both sides of a single or double door.

Milano

Reminiscent of the dramatic designs for which Italy is renown, these elegant works of art exemplify the artistry and craftsmanship inherent in every Bevel King Renaissance door, sidelite and transom. The bold curves and striking, yet exquisite lines combine to achieve this remarkable entry.

The Milano and the Florence are both available in six foot eight inch full lite and eight foot three-quarter lite premium hardwood doors. The quadrilateral symmetry of the design allows the sidelite to be positioned left, right or on both sides of a single or double door.

Twins

Any Renaissance sidelite design can be used to create beautiful twin lite doors. Only a few examples are pictured here, but all lites can be viewed online at www.BevelKingDoors.com.

Verona & Naples

The simple elegance and charm of the Verona with its fully beveled center cluster or the Naples with its dramatic baroque glass incorporated into the design will add distinction to any decor.

Roma

By artfully combining five unique styles of clear glass in its design, the Roma is truly a work of art worthy of the romance and beauty of the city for which it is so appropriately named.
