Directions : Five statements A, B, C, D and E are given below, which are jumbled in any random order. These statements will form a coherent and meaningful paragraph, when arranged in the correct sequence. Arrange the sentences in the right order and answer the questions that follow.

A. Some economists argue that traditional stimulus measures, such as lowering interest rates and increasing government spending, may no longer be effective in the current economic environment.

B. In this context, policymakers are faced with a difficult balancing act, trying to support their economies while also addressing long-term challenges such as climate change and inequality.

C. The global economy is facing an unprecedented crisis, with economies around the world struggling to cope with the impact of the COVID-19

D. Instead, they suggest that more targeted interventions, such as investments in green infrastructure and social safety nets, may be necessary to address the complex challenges facing the global economy.

E. While some countries are seeing a gradual recovery, others are still grappling with the fallout from the pandemic, with rising unemployment and mounting debt levels.

CEBAD

Directions : In the questions given below, there is a sentence in which one part is given in bold. The part given in bold may or may not be grammatically correct. Choose the best alternative among the four given which can replace the part in bold to make the sentence grammatically correct. If the part given in bold is already correct and does not require any replacement, choose option (e), i.e. "No replacement required" as your answer.

1. Since I started working from home, my productivity increased significantly.

- ✓ 2
- A. My productivity increased significantly
- B. My productivity has increased significantly
- C. My productivity was increased significantly
- D. My productivity had been increased significantly
- E. No replacement required
- P P.

✓ 2. They will be able to plan their trip once they received all the necessary details about the destination.

- A. Once they had received all the
- ✓ B. Once they receive all the
- C. Once they have receive all the
