Passage (Q. 7-11)

Official history is rarely a passive record of the past; it is an active construction, a narrative shaped by the gravitational pull of power. What is presented as a collective memory often (7___) inconvenient truths and dissenting voices to forge a story of national unity. This curated past is not merely written in textbooks; it is given a physical (8___) in monuments, memorials, and state-sponsored ceremonies. These are the anchors of official memory, designed to make a particular version of history feel permanent and beyond question. They create a seamless, heroic timeline that often papers over the (9___) fractures of conflict, exploitation, and internal dissent. Counter-histories, however, persist in the margins—in folk songs, private letters, and community archives. For a more honest reckoning with the past to occur, these silenced narratives must be actively (10___) and brought into the mainstream discourse. Until this happens, any official gesture of remembrance risks becoming a hollow act of (11___) designed to manage public perception rather than to achieve genuine justice.
