MISSION STATEMENT

The mission of the The Jewish Academy is to educate and inspire our students with a love for Torah and Judaism, strong Jewish Values, and a cutting-edge academic curriculum. We hope to build within our students an unbreakable bond with the land of Israel and Zionism. TJA believes Jewish education is a birthright, not a luxury. Our model provides a Jewish affordable education to all regardless of their socio-economic standing. We specialize in the Israeli population. We have a dual curriculum program starting with K - 12. As a College Prep High School, we offer dual enrollment and are committed to academic rigor and innovation.
