DIGITAL PLANNING PRODUCTS

- This planner works best with an iPad and the Apple Pencil but it may be used with any stylus/tablet/computer/mobile device that has a note taking app.
- You will need to purchase a note taking app such as Good Notes to use this digital planner/digital planning stickers.
- Given the digital nature of this product, we do not offer refunds. However, if you have any problems with the download or file please contact me here on Etsy and I'll help you resolve it as quickly as possible!
- This item is for PERSONAL USE ONLY and cannot be shared, distributed or used commercially.
