Advancing Biomedical Science Through Tissue Arrays

## Safety Data Sheet

### Section 1. Product and Company Identification

**Product Name:** Paraffin-embedded Tissue Blocks, Tissue Sections, Panel and Arrays

**Catalog Number:** Catalog Numbers for all the above products

**Manufacturer:** Pantomics, Inc., 2600 Hilltop Drive, Suite C310, Richmond, CA 94806

**Contact:** 415-863-2380 (Tel) or 510-225-1084 (Fax), [Info@pantomics.com](mailto:Info@pantomics.com), [www.pantomics.com](http://www.pantomics.com)

**Validation Date:** 03/18/2015

**SDS#**

**Component/Item (and Parts number if listed)**

Paraffin embedded Tissue Section, Panel and Array on glass slide

### Section 2. Composition and Information on Hazardous (OSHA) Ingredients

All components are considered non-hazardous. As yet, the chemical, physical, bio-hazardous and toxicological properties of these products have not been thoroughly investigated. These products contain paraffin-embedded tissue samples and this MSDS is written to apply to general reagents.

### Section 3. Hazards Identification

Review approved and the most current institutional guideline, protocol, SOP(s) and MSDS(s) for the proper handling of institutional materials/equipment associated with the use of this BCI product.

**Primary Routes of Entry:**

Skin Absorption **(No)**; Dermal/skin contact **(No)**; Eye contact **(No)**; Inhalation **(No)**; Ingestion **(No)**; Chronic Exposure **(No)**.

**Medical Conditions Aggravated by Exposure:** Not available.

**Potential Acute Health Effects:** Adverse health effects are not expected from the use of this product.

**Carcinogenic Effects:** Not listed by NTP, IARC or OSHA.

**Mutagenic Effects:** Not available. **Teratogenic Effects:** Not available.

### Section 4. First Aid Measures

**Emergency First Aid Procedures:** For minor cuts by broken glass slides, please clean and dry the affected skin with sterile pads, and apply antibacterial bandages. For severe cut, please see your physician.

### Section 5. Handling and Storage

Wear appropriate protective clothing and gloves. Stored in cold. For detail, please see User's Manual for storage information.

### Section 6. Exposure Controls and Personal Protection

**Effects of Overexposure:** N/A **Respiratory Protection:** None needed

**Ventilation:** General ventilation **Protective Glove:** General lab safe gloves

**Eye Protection:** Use general eye protection-goggles.
