CENTENNIAL TIME CAPSULE

Would you like to leave a message for posterity? Your children, your grandchildren or to school children yet unborn?

There will be a unique opportunity to do this at the Hawera High School centennial celebrations at Labour Weekend. The HHS Centennial Committee offers you an opportunity to place a document (or documents) in a **time capsule** which will be buried in the school grounds after the 2019 reunion and reopened in 2069.

To ensure that these messages for the future last the distance they will be printed on acid free paper and participants will have access to two computers and a printer. Each double-sided A4 page will cost \$10. The documents will then be sealed in plastic pouches in the capsule.

If you wish, you could bring your prepared document on a pen drive to print.

This Hawera High School Centennial opportunity is kindly sponsored by Computing 4U, 365 Ketemarae Road, Hawera.

NOW - CREATIVE CONTRIBUTIONS 2019

As a believer in the importance of creativity in education, I am currently producing a book with our Arts Coordinator Ms Maree Horner to celebrate 100 years of HHS. "NOW" will combine creative contributions from current students to recognise and share the talents of the students of Hawera High School. Including award-winning creative writing, poetry, photography and art, "NOW" will be a unique showcase of creative talents fostered by our school, and the dedication and flair of its current students.

- Print run will be based on firm orders by 27th September.
- Your order will be in your Centennial pack.
- Order by depositing \$25 (note lower price from previous newsletter) in the following HHS account – 15 3950 0470595 00
- Include: Particulars - YOUR NAME, Code – NOW, Reference - CENTENARY
- Any funds raised will go towards an Arts related project at HHS
