The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.mhc.coop or call 1-844-

262-1560. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary/</u> or call 1-800-318-2596 to request a copy.

| Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| What is the overall<br>deductible?                                       | For <u>network providers</u> : <b>\$4,000</b><br>individual / <b>\$8,000</b> family; for <u>out-of-network providers</u> : <b>\$12,000</b><br>individual / <b>\$24,000</b> family | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services<br>covered before you meet<br>your <u>deductible?</u> | Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other<br>deductibles<br>for specific<br>services?              | No  | You don't have to meet deductibles for specific services.  |
| What is the <u>out-of-pocket</u><br>limit for this <u>plan</u> ?         | For <u>network providers</u> <b>\$8,150</b><br>individual / <b>\$16,300</b> family; for <u>out-of-network providers</u> <b>\$24,450</b><br>individual / <b>\$48,900</b> family    | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                 | <u>Copayments</u> on certain services,<br><u>premiums</u> , <u>balance-billing</u><br>charges, and health care this <u>plan</u><br>doesn't cover.                                 | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you<br>use a <u>network provider</u> ?              | Yes. See <b>www.mhc.coop</b> or call<br><b>1-855 447-2900</b> for information<br>regarding <u>network providers</u> .   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> .<br>You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?               | No  | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |

Most <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

-To see examples of how this plan might cover costs for a sample medical situation, see the next section.-

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
