

ASAP

JULY: We will make something to take to our Faithful Friends. We hope to have a fun time together.

AUGUST: Our next meeting on Monday, August 26, we will have our "Back to School" program. We will bring our school supplies we have collected for the teachers at Sedgefield Middle School for their classrooms. (Many good sales are going on now!) They have requested the following: #2 pencils, non-college rule paper, magic markers, colored pencils, and Kleenex. We want to fill 65 bags.

MISSION: See school supplies above. Also, we are continuing to collect Flip Tabs for Ronald McDonald House.

Christmas Market & Village

ASAP had a little preview of some things people are making for the Christmas Market. We need to encourage all our crafters to start creating!!

Baked goods will be a big seller too 😊

Learn more about participating in this 75th Anniversary event... as a Vendor, organizer, or participant!

December 7

Avondale Christmas Market & Village
from 9 AM - 3 PM

[Calling all Artisans - RSVP to be a Vendor](#)
