ASTRO BLESS Numerology forecast report

Tuesday 1 January 2019

Wish you a happy and prosperous New Year.

Numerologically a rather gloomy day is predicted for you. You tend to brood over the past and dig out your mistakes and generate a feeling of "I am not OK". You should not forget the fact that you had done your best under the given circumstances and there is no reason to regret. Avoid being alone today. Spend time with own people. Even helping young ones with their home work or giving a helping hand to your spouse could give you welcome relief.

Wednesday 2 January 2019

While trying to do important things minor obstacles may appear suddenly. It will be rather difficult to keep schedules and promises. But very important items will somehow be completed. You are advised to take care of your health by having good food in time. The whole day may be taxing. But you will receive happy news or enjoy pleasant experiences before going to bed.

Thursday 3 January 2019

You have all the chances of getting selected in spite of unfavourable factors. This is your lucky day. Although you happen to forget or neglect an important task you are able to save your skin at the last moment. An important news or document arrives just in time. Any further delay would have placed you in a rather embarrassing position.. A good day for buying and selling shares as well as other speculative business. Lucky colours are yellow and white.

Friday 4 January 2019

Articles you considered lost will be regained. Today you will think on new income avenues. Will be more co-operative with relatives. In the field of work you can expect prosperity and good luck. You will meet an important person during a party or in a club. If you handle this first contact well, it can be developed into a long term profitable relationship. Strong and perhaps unpalatable decisions may have to be taken today.

Saturday 5 January 2019

The strange behaviour of a person close to you is likely to upset your moods. You may feel frustrated that people around you are not as dependable as you would like them to be. Moreover, today you will have a specific experience of being let down badly. Not at all a good day for negotiating and finalizing deals. Give your decisions and approvals only in essential matters. Keep to the four walls of the office or home as much as practicable.

Sunday 6 January 2019

You are relieved to note the progress being achieved in an activity which was moving only at a snails' pace. Your enthusiasm works wonders on people around you. They come for your help without being asked. Official response to your applications are likely to be more encouraging than usual. At home, you are able to fulfill the promises made to the pleasant surprise of your loved ones. Your jokes will liven up the atmosphere.

Monday 7 January 2019

People who have given you word may change mind in the last moment. But with cautious determination and hard work you will achieve what you wanted. If you find it difficult to reach in

time, better the fact is informed to the respective people sufficiently early. You are destined to enjoy a mixed experience of good and bad luck before evening. Important details will be discussed with the connected people today. Financial position will be comparatively safe by all means.

Tuesday 8 January 2019

Numerologically, you are likely to get intoxicated with success. You will far exceed the performance standards you had set for yourselves. Stick to the number 5 and shades of green for extra luck. Physical fitness should be given prime importance. Do not neglect even minor symptoms. Today you will be involved with tests, cultural and artistic competitions or sports and games. Even at home, the atmosphere could be charged with a heated exchange of words. Be careful and avoid unnecessary tension.

Wednesday 9 January 2019

Wish you a very happy birth day.

If you have been in the wrong, say so, and own up responsibility. This is the best way to mend a broken relationship. Only people who love you can be so sensitive to your words. Your day is ruled by a number which indicates that emotions and feelings will influence your decisions and actions more than usual. You may tend to help a person out of turn. Make sure that people do not get a chance to accuse you of partiality.

Thursday 10 January 2019

You will find it difficult to fulfill your responsibilities in time. Certain individuals will be out to make obstacles for you. The behaviour of children or their attitude will upset you to some extent. You may be disappointed to experience lack of co-operation from classmates or colleagues. The days effect is not all that good. However you will find good relief regarding monetary matters. Your partner will stand by you in success and failure alike. So nothing to worry.

Friday 11 January 2019

Your efforts will not go waste today, even though the benefits may not be apparent or immediate. A person you meet in an unusual circumstance will play a major role in the days ahead. You will be given an offer that is hard to decline. Plans for long distance travel will materialise. You can expect visit of close relatives or friends. Try to complete half written letters or half done jobs, while at home this evening.

Saturday 12 January 2019

There may be occasional problems now and then. But you feel generally happy. The guesses you have made will prove to be correct to the surprise of everyone concerned. You will be able to solve problems easily today. Children will bring home happy news. The long pending domestic work, or repair work will somehow be attempted and completed today to your relief.

Sunday 13 January 2019

Right from morning your mind is full of bright ideas for problem solving and you are eager to get out and get on with the tasks. Decisions are to be made. Even though you have been wavering in the past, a clear vision is likely to evolve today. An alternative deal will be placed before you by a trust worthy person. Difference of opinion or misunderstanding with a friend or associate can be easily resolved today if you take the initiative and open up the topic.

Monday 14 January 2019

There may be doubts and suspicions all-round. Even the most intimate friends will be doubted.

According to Numerology this is a day on which you are more prone to be cheated. Before taking important decisions it is desirable that you get the best opinion of your trusted friends who are well informed. For transfer of equipments, travel and starting of auspicious event etc. this is not considered a very good day.

Tuesday 15 January 2019

If stagnation in certain projects have been worrying you lately, today will bring you welcome relief. Obstacles caused by factors beyond your control will disappear. Do not allow resource constraints to jeopardise your plans. Get help wherever necessary. You give importance to your place in the society and work with community spirit. Your positive contribution to the success of an event will be appreciated by all.

Wednesday 16 January 2019

You have to be specially careful so as not to fall into the wicked trap of your enemies. You are advised to study all aspects critically before venturing for new capital investments. Difference of opinions are bound to come up. A person you expected will support you, will disappoint you in the last minute. You will initially doubt about the adequacy of money. But in the end you will feel relieved. Everything will be done and expenses met as desired. Should remember to keep up the promise given to children.

Thursday 17 January 2019

A day you have to muster up all the courage you have. Your rivals will keep you on the run. You have no time to relax. Stick to the familiar tracks and push hard, that is the order of the day. Practice will make you perfect. Today, you better not assume or take anything for granted. Do not allow your opponents to identify your weak points. Success is yours, provided you keep your mouth shut and concentrate on the significant moves. Today, you are under the influence of number 5. Green and white colours will play significant roles.

Friday 18 January 2019

You have been concentrating too much on work or business matters and you need a break. Family members will be only too pleased if you decide to go for a picnic or movie. Visiting a family friend or relative who stays a little away would be a good idea. Travel is likely to be pleasant. You will enjoy food, even if it is simple. But, do not forget to compliment the cook. Rose is your lucky colour today. Choose this colour to wear, especially for romantic occasions.

Saturday 19 January 2019

Gloomy atmosphere is indicated on the basis of numerology. At least part of the day will be wasted brooding over undesirable or lost matters. Problems which appeared like mountain few days earlier will be melted off like snow in no time. You may feel that you were unable to present as effectively as you wanted during interviews, meetings or conferences. But the fact may be otherwise. House wives should be able to control their temper particularly today while talking.

Sunday 20 January 2019

Today you will be able to impress your colleague with your dynamism and courage. You will take bold steps contrary to other peoples expectations. You will be able to block the moves of your enemies who try to tarnish your image. Businessmen as well as executives will find that things are well under their control. Financial gains will come from unconventional decisions. A good day for housewives and children also.

Monday 21 January 2019

Even though you may be late, you get favourable consideration and say "what a lucky day!". Those dealing with shares, bonds, lottery etc. will find that luck holds good through out the day. You can expect above average fortunes in horse racing or betting. The number governing the day points to sharpening of intuitive powers and you can put this to good and effective use. Wear yellow dress for extra luck.

Tuesday 22 January 2019

Desirable progress will be observed today. New roads and avenues will be opened up. You will be able to re-establish friendship with a person who was cleverly keeping away from you for some time. It is a good day to visit people and exchange presents. You will be better off, if important decisions are taken today itself. There will be remarkable progress in the area of marriage negotiation. Those engaged in business are sure to benefit on this day.

Wednesday 23 January 2019

Spell out what exactly you want. Stick to your specifications. The alternatives you are offered may not work out to be as good as the original. Think twice before you give a loan or take one. You have to be extra alert today in discussions and negotiations. Offers may be made with strings attached. While you may not be lacking in cash to start with, beware of that hole in your pocket.

Thursday 24 January 2019

You will feel inspired or enthusiastic from the time you get up today from bed. The expected pleasant messages will reach you before Noon. It is good to discuss your projects and ideas for diversification and development with the concerned people. However you should not expect instantaneous results.
