

LIQUID SOLUTIONS

EXPERTS IN LIQUIDS PROCESSING FILTRATION AND BOTTLING

Product ref. LA – 21

Date: 29/01/19

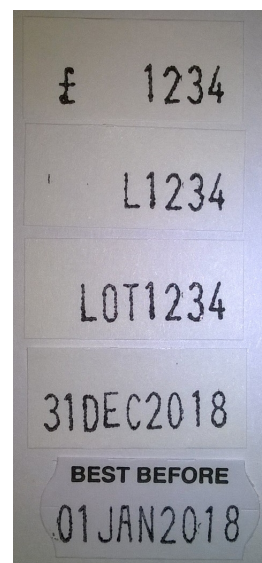

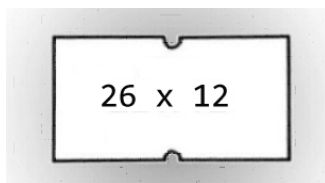

Best By / Lot number 'date gun' labeller

Low cost, simple method to apply 'best before' date or a lot / batch number.

These superior quality dating guns are supplied with spare ink roll and 1,500 blank labels.

prints up to 9 characters in the format 08AUG2016, or could print a lot number e.g. L1234 or a price and takes 26 x 12mm labels. Pre-printed 'Best Before' labels are also available.

Legality in U.K. - a date/ batch number may be applied to the base of a bottle/container but there should be a reference to its position on the main label. Otherwise, should be in the same field of vision as the other mandatory information (name of food, address, quantity). Check with the relevant authority (e.g. Trading Standards) beforehand.

Prices:

LA-21 date gun kit	£39.50
Labels, per pack of 15,000	£16.00
Spare ink cartridges x5	£17.50

Prices exclude delivery and VAT
