Review of Beginning & Ending Balances, Expense/Revenues from previous month

Reviewed July and August through 26th. Started July with \$1166.99 and ended with \$802.06. In August, the online donation drive brought the balance to \$1176.79 and the month ended with \$972.83 No questions, but liked smaller payments for stuff. Easier to handle in the families.

Courtney – Were uniform payments are going from – Varsity / School

Food 4 Games

For the 10 games between now and the end of September boosters is asking \$50 for games where only one team participates and \$60 if both teams are cheering. Both team cheering doesn't mean double the people. When both teams are cheering you will have ½ varsity (8) + JV (8 after fall tryouts).

If you sign up to bring food, the booster will only be able to pay for/reimburse up to \$50 or \$60 depending on the game.

To get reimbursed, please take a photo of your receipt(s) and email to poudrecheerboosters@gmail.com In the subject line write the fund name “nutrition” and the \$ amount spent feeding the ladies. If you feel like donating anything above that amount feel free. **Need address to mail the check online from the bank.**

Please sign up on the SignUpGenius if you would like to provide a dinner.
