

RESEARCH IMPACT SHOWCASE COMPETITION

Terms and Conditions

How to enter

- Submit a 60 second video outlining:
 1. The urgent need/agenda your research was designed to address
 2. The engagements and measures you put in place in your research project planning stage to facilitate your resultant tangible benefit
 3. The tangible benefit/research impact your research achieved or contributed to (we are looking for examples of research impact already achieved, not aspirational impact).

*For the purposes of this competition, “research impact” is the tangible change or contribution to change your research has made to health, quality of life, the economy, society, environment or culture, beyond the contribution to academic research.
