Here are several examples of Technology Credentials delivered by MVCTC. Some of the credentials are already listed on the Techcred.ohio.gov website. MVCTC will assist employers in completing the application for Tech Cred and submitting additional credentials for approval. For information, please contact Amy Leedy aleedy@mvctc.com; Mike Sizemore msizemore@mvctc.com or Eric Dolan edolan@mvctc.com for assistance.

*Fanuc Robotics

Kuka Robotics

Yaskawa Robotics

MSSC CPT

MSSC CLA and CLT

Mig 1&2

Tig 1&2

Shielded Metal 1&2

OSHA 30

Blue Print Reading and Math

Employers are welcome to contact Amy Leedy at 937-854-6051 to review the credential process. The MVCTC Customized Training team will schedule an individual appointment to complete the application. The process should not require more than 1 hour. MVCTC will send the employers a list of required information prior to the appointment.

*The credentials listed are examples taken from the Tech Cred website (Techcred.ohio.gov) along with other examples delivered by MVCTC's customized training.
