

JULY 4th BURREINGTON COMBE / CHEDDAR

Just a short evening ride out with lovely weather once again.

We rode Mudford/Shepton Mallet/Bristol Road.

Left for Cheddar then took the Burrington road.

Rode down the winding scenic gorge, saw the goats sunbathing.

The cafe was shut! So rode on to Cheddar where we had our coffee stop.

Went up through the gorge and on through Priddy/Wells/home.

A delightful few hours enjoyed by all.
