

Brighton Ace Cafe Reunion September 8th 2019

Our group rode down to Ringwood following the M27/A27.

Stopped off at Arundel for a coffee etc and admired the majestic castle in view,

then rode off to Brighton, which was really busy on arrival.

The good weather helped with sunshine all day.

Saw lots of different and interesting bikes.

Enjoyed our lunch in the sun with some great music.

Made our way home via Hove/Shoreham and on through the New Forest.

Saw lots of young donkeys and ponies running around.

Another great reunion day!
