

BIG PIT & TRANSPORTER BRIDGE WALES APRIL 28th 2019

We made our way to Abergavenny stopping at Luigi's for a top quality Italian coffee!

Then off to see the Big Pit at Blaenavon.

A most interesting visit with the opportunity to go underground.

Returning via the Newport Transporter Bridge (very interesting for those that hadn't seen it before).

Weather excellent again, a good days ride out.
