

WELSH R.R. CIRCUIT MAY 19th

The group took a scenic route to Abergavenny via Usk, for the first coffee stop, at the popular Oasis cafe.

Refreshed we then travelled over an unclassified picturesque road to Llywel.

Rode through MOD land next to get to the Welsh R.R. Circuit and all those bends!

On through Builth / Llandrindod

making sure the group got to see "the dragon of the lake".

Crossgates next (famous bikers cafe) for a welcome lunch.

Stayed on the A44 which led us to Pembridge (a quaint village noted for its historic timber framed buildings).

Down the A49 to Hereford then on to Tintern for our last coffee stop.

Great day out with superb weather and biking roads!
