ABOUT US

Beauty Teck International (Pvt) Ltd is a family-owned company that provides the personalized service you deserve. For over 30 years, we have been dedicated to supplying the finest medical instruments to the healthcare industry across all specialties, reaching every corner of the globe, including Europe, North America, South America, Asia, Africa, and Oceania.

Beauty Teck was established to provide solutions for supplying medical devices to operating rooms in hospitals around the world. The company's commitment to excellence and high-quality manufacturing has led BTI to expand into other medical fields.

Beauty Teck is a leading manufacturer of a wide range of sterile and non-sterile single-use and reusable surgical, dental, tungsten carbide, ENT, gynecology, manicure, pedicure instruments, and hollowware worldwide. Our manufacturing unit is located in Sialkot, Pakistan, a city renowned globally for the production of medical instruments. Our liaison office is located in Bremen, Germany facilitating collaboration and business development.

Our products are manufactured using the highest-quality stainless steel in compliance with AISI, ASTM, and DIN standards. The raw materials are imported from Germany, Japan, and France. All of the medical instruments we supply are ISO 9001:2015, ISO 13485:2016, ISO 14001:2015 certified, and CE marked under the Medical Devices Directive. The key to our success is our commitment to quality assurance. We ensure the right materials are used for the right products. We are also an OEM and ODM provider for our customers.

We offer a vast range of instruments in stock, ready for fast delivery to our valued customers. By combining traditional craftsmanship with the latest precision technologies, we are able to manufacture instruments that meet and compete with the highest international standards of quality. Beauty Teck is strongly committed to providing dedicated service to our customers, built on a foundation of quality and cost-effectiveness.

Beauty Teck offers highly competitive prices and is flexible in working with customers to ensure maximum cooperation. Our company's mission is to keep our customers satisfied, as your satisfaction is our ultimate business goal.

If you would like to receive our price list, view samples for quality assessment, become a distributor, or get more information about our premium-quality instruments, please feel free to contact us.

Thank you very much for your valuable time, and we look forward to doing business with you.

Best Regards

Managing Director
Beauty Teck

OUR MISSION AT BEAUTY TECK

1. To provide our customers with exceptional support and premium-quality medical instruments at competitive prices.
2. To offer our customers friendly service and an easy-to-use ordering system.
3. To supply our customers with the latest available products.
4. To ensure all instruments are made from medically approved raw materials, uphold the highest quality, and follow ethical manufacturing practices.

OUR QUALITY POLICY AT BEAUTY TECK

- * Comply with the requirements of a Quality Management System consistent with ISO 13485:2016.
- * Adhere to the regulatory requirements of MDD 93/42/EEC as amended by 2007/47/EC.
- * Build mutually profitable relationships with our customers, ensuring their long-term success by understanding their needs and the needs of their customers.
- * Achieve our commitments to quality, cost, and schedule.
- * Enhance systematic research and the use of best preventive practices at all levels to ensure reliable risk management.
- * Drive continual improvement and innovation based on efficient business processes, internal auditing, well-defined measurements, best practices, customer surveys, and systematic improvement of our client base.
- * Develop staff competencies, creativity, empowerment, and accountability through appropriate development programs while demonstrating strong management involvement and commitment.
- * Beauty Teck International strives to be the best provider of medical instruments in the industry. Through the use of these guiding principles, everyone at Beauty Teck International is accountable for fully satisfying our customers by meeting or exceeding their needs and expectations while adhering to our quality objectives.

OUR STRATEGY AT BEAUTY TECK

1. It is our utmost priority to serve our valuable customers with fairness, honesty, sincerity, trust, and cooperation in building trustworthy relationships.
2. We always warmly welcome our customers' opinions, suggestions, and recommendations.
3. The stainless steel used in the production of our instruments matches the approved samples exactly.
4. For cutting instruments like scissors and knives, we use premium-quality stainless steel (AISI 420 Grade).
5. For non-cutting instruments like forceps, tweezers, needle holders, retractors, and scalpel handles, we use AISI 410 Grade stainless steel.
6. For cannulas, impression trays, and hollowware, we use AISI 304 Grade stainless steel.

QUALITY MANAGEMENT SYSTEM (ISO 13485:2016)

The quality policy serves as the main guiding principle that focuses on quality throughout the organization and enhances the effectiveness of the quality management system.

QUALITY BEGINS WITH PEOPLE WHO CARE

Instruments For All Medical Specializations

Surgery, Urology, Gynaecology, Ophthalmology & Microsurgery.

Single Use

No cross-contamination, simple, economical and large range of instruments.

CERTIFICATIONS

Beauty Teck International (Pvt) Ltd.
Head Marala Road, Machi Khokar
Sialkot 51310, Pakistan

21-05-2024

Confirmation Letter Reference: CLNB1639 - PK/SKT/233480

To whom it may concern,

Confirmation of receipt of the status of a formal application, written agreement, and appropriate surveillance in the framework of Regulation EU 2023/607 amending Regulations (EU) 2017/745 and (EU) 2017/746 as regards the transitional provisions for certain medical devices and in vitro diagnostic medical devices.

This letter confirms that, SGS Belgium NV, a Notified Body (NB) designated against Regulation (EU) 2017/745 (MDR) and identified by the number 1639 on NANDO, has received a formal application in accordance with Section 4.3, first subparagraph of Annex VII of MDR and has signed a written agreement in accordance with Section 4.3, second subparagraph of Annex VII of MDR with the following manufacturer

Legal Manufacturer:
Beauty Teck International (Pvt) Ltd.
Head Marala Road, Machi Khokar
Sialkot 51310, Pakistan
SRN Number: PK-MF-000009604

EU Authorized Representative:
CMC Medical Devices & Drugs S.L.
C/ Horacio Lengo, 18. 29006,
Málaga, Spain.
SRN Number: ES-AR-000000293

The devices covered by the formal application and the written agreement mentioned above are identified in the Tables below. Table 1 identifies the devices which an MDR application has been received, written agreement concluded and for which the NB is also responsible for appropriate surveillance of the corresponding devices under the applicable Directive. Table 2 identifies the devices for which an MDR application has been received and a written agreement concluded, but the NB has not yet taken the responsibility for appropriate surveillance of the corresponding devices under the applicable Directive.

In the case of devices covered by certificates issued under Directive 90/385/EEC (AIMDD) or Directive 93/42/EEC (MDD) that expired after 26 May 2021 and before 20 March 2023, without having been withdrawn, this letter also confirms that:

SGS Belgium NV Certification and Business Enhancement Registered Office: Noorderlaan 87 BE-2030 Antwerpen t+32 (0)3 545 48 48 f+32 (0)3 545 48 49 Boulevard International/Internationalelaan 550 BE-1070 Brussels t+32 (0)2 556 00 40 f+32 (0)3 545 48 49

Member of the SGS Group

RPR Antwerpen VAT BE 0404 882 750 Belfius 550-3560000-93

- The manufacturer signed the written agreement under MDR by the date of MDD/AIMDD certificate expiry; 24-05-2024.
- The certificates expired after 26th May 2021 by course of time and were valid at the date of their expiry neither having been suspended nor withdrawn.

The transition timelines that apply to the devices covered by this letter, subject to the manufacturer's continued compliance to the other conditions specified in Article 120.3 of MDR (as amended by EU 2023/607), are shown below:

- 26th May 2026 for Class III custom-made implantable devices
- 31st December 2027 for Class III devices and Class IIb implantable devices excluding Well-established technologies (WET - sutures, staples, dental fillings, dental braces, tooth crowns, screws, wedges, plates, wires, pins, clips and connectors)
- 31st December 2028 for other Class IIb devices, Class IIa, Class I devices placed on the market in sterile condition or have a measuring function
- 31st December 2028 for devices not requiring the involvement of a notified body under MDD but requiring it under MDR (e.g., class I devices that qualify as re-usable surgical instruments)

On behalf of the Notified Body SGS Belgium NV NB1639,

Y. Siloret

AUTHORIZED REPRESENTATIVE

EU REP

CMC

Medical Devices Spain

Hereby confirms that CMC Medical Devices & Drugs S.L. located in C/Horacio Lengo, 18, 29006, Málaga, Spain and with SRN ES-AR-000000293 is the Authorised Representative (EC REP) of

Beauty Teck International (Pvt) Ltd
Machi Khokhar, Head Marala Road, Sialkot, 51310- Pakistan

The certificate remains valid until the expiration date of the EC REP agreement or until manufacturing conditions, the quality system or relevant legislation are modified.

The validity is subject to positive results of periodic surveillance audits.

The product liability rests with the manufacturer in accordance with the applicable directive/regulation mentioned in Annex I of this certificate and the applicable standards.

After fulfilling of the relevant EU legislation requirements, the manufacturer shall affix relevant CE marking to the relevant models of the medical devices mentioned below.

The table in the Annex I lists, where applicable, the registration status with the Spanish MOH (AEMPS) and their registration number (RPS).
