

### 2-person tent

**Dimensions:** lying surface 2.10 m long and 2.10 m wide. Input/Output: Practical, large D-shaped front input with zipper.

**Storage space:** Generous anteroom for shoes and luggage (2.10 m x 0.75 m).

### 4-person tent

**Dimensions:** Lounge (2.30 x 1.80 x 1.85 m) and 2 sleeping cabins (210 x 1.40 x 1.40 m each). The lounge does not have a floorplane.

**Sleeping cabins:** 2 comfort cabins (1.40 m wide), 4 inside pockets in each cabin; if more storage space is required, one of the two sleeping cabins can be removed.

### 8-person tent

**Dimensions:** Lounge (3.00 x 3.00 x 2.20 m) and 4 sleeping cabins (2.10 x 1.40 x 1.45 m each). The lounge has a floor tarpaulin.

**Sleeping cabins:** 4 comfort cabins (1.40 m wide), 4 inside pockets + 3 outside pockets on each cabin; two sleeping cabins are separated by a wall that can be zipped off - so two cabins can easily be converted into one large cabin (2.10 x 2.90 m). Due to special material it stays cooler and darker in the tent than in normal tents.
