

## Northeast Ohio Airgunners (N.O.A.) July 21, 2019 Match Report

(Match Report by Tyler Patner)

23 shooters braved the heat and possibility of rain on Sunday the 21st to shoot a grueling 60 shot match on NOA's field course. Winds were whispering quietly in the field and the sun was beating down hard. Lots of sweat and maybe even a few tears were left in the field when it was all said and done.

The course featured some smaller than normal kill zones and some tough position shots, really testing the shooters at each lane. The Troyer was a 32.5 before wind was factored in. After wind was factored in, the course shot at around a 34.5T, with 11 targets over 40 yards, and an average distance of 34.4 yards. The wind was very tricky for most of the day. Every so often you would see the long grass in the field bow from one side and then to the other. Then it would seemingly stop for long enough to get a shot off, while it was still moving through other parts of the course.

Bruce Scott made his first match of the season and it was really great to see him out and shooting again, posting a 32/60 as the only intrepid soul brave enough to shoot in WFTF Piston. Also, a loner in Hunter Piston, was Keith Walters. Keith brought out his HW97K in a beautiful LP gunstock and posted a solid 43/60.

On the PCP side, Bill Rabbitt tied with Tom and Dennis Himes on 53/60. Sadly we did not have time for a shoot off as the Himes brothers had to get back home quickly after the match. And in WFTF PCP, Tyler Patner showed up with a new Thomas FT Carbine and posted the match high score of 56/60.

Our next match will be August 4th, and we are looking forward seeing everyone there as it will be our clubs last match before the Pyramid Air Cup towards the end of the month.

<b>MATCH RESULTS</b>				
	<b>Rifle</b>	<b>Scope</b>	<b>Pellets</b>	<b>Score/60</b>
<b>Hunter PCP</b>				
Bill Rabbitt	Thomas FT Carbine	Hawke 6.5-20x	JSB 13.4	53
