ABOUT PORTICO

Portico Doors are a leading manufacturer of Composite Doors, with a reputation for providing the highest quality of product. Each and every Portico Door is manufactured by our talented craftsmen, with quality being our number one priority.

Your front door is the first impression for any visitor, Portico Doors allow you to create the perfect entrance for your home. With a vast range of door styles, decorative glass, colour options and hardware choices, you can truly customise your door.

Security is paramount at Portico Doors; our doors are highly secure as standard. We have partnered with market leaders such as Yale, ERA, DoorCo and Brisant Secure to ensure the highest of security specification.

With energy costs continuing to rise, thermal efficiency has never been so important. Portico Doors are thermally efficient by design. The warm foam core allows the door to have a significantly better 'U' value than any other option on the market and our entire range meets with the requirements of current Building Regulations. The majority of our decorative glass range is also triple glazed to achieve the optimum energy efficiency.

EXPRESS YOURSELF
WITH ANY RAL COLOUR...

Our stunning pallet of colours has been carefully selected to accommodate most tastes. However, if you have another colour in mind, our highly skilled spray department has the ability to mix any RAL colour, so let your imagination flow.

Whilst best efforts are in place to colour match the GRP door leaf to the PVC outer frame, an exact colour match cannot be guaranteed

STAINLESS STEEL
HARDWARE

Pull Bars

Precision handcrafted luxury 316 grade stainless steel, as standard. Our pull bars are more resistant to pitting and corrosion compared to many others on the market.

Escutcheons

We have opted for a circular escutcheon as standard, for improved aesthetics. Our escutcheon has through fixings which increases performance and security.

Stainless Steel Round Pull Bar
400mm, 900mm and 1500mm

Black Round Pull Bar
900mm and 1500mm

Black Flat Pull Bar
900mm and 1500mm

Stainless Steel Flat Pull Bar
400mm, 900mm and 1500mm

Yale Stainless Steel Hardware

The stylish Yale Stainless Steel hardware range is manufactured in 304 Stainless Steel giving ultimate corrosion resistance.

Upgrade to Yale Stainless Steel hardware and receive a 25 year anti-corrosion guarantee.*

Range Available in:
Lever Lever Handle
Offset Lever Lever Handle

On-line Door Designer

With such a wide selection of styles, colours, hardware and glazing options available for your new door, it can sometimes be difficult to visualise what you need. Our door designer lets you do just that.

Choose your style, then your colour, change the look with the various glazing options and then complete the look with your choice of hardware. Don't leave it to guesswork, we can show you exactly how your choices will look in your home with our online designer.

All images portrayed in this brochure should not be reproduced without specific written permission. Images, designs and colours are for illustrative purposes only and may differ when manufactured. We reserve the right to amend or withdraw any products within this brochure without prior notice. Door colours shown in this brochure should be used for guidance only. We have made every effort to match the colour and stain you see in the brochure so it's as close as possible to our paint when applied to the doors. Due to the nature of the product it is applied to, there is sometimes a difference between them which we cannot avoid. The colour, intensity and sheen level may differ from the paper print version and we do not accept any liability for this for whatever reason. To ensure that you are getting the right colour on your door, you can order colour swatches from your supplier.
