

SiteSprout Employee Profiles Privacy Policy

This privacy policy discloses the privacy practices for SiteSprout Employee Profiles. This privacy policy applies solely to this software application.

Personal Information

This application does not collect nor transmit any user's personally identifiable information.

We will not disclose, sell, rent, or otherwise use information provided during the purchase process except to provide product support. Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Technical Information

When installing SiteSprout Employee Profiles, the application sends licensing information to Microsoft for validation of purchase. This is a string of letters and numbers that does not include personal information about your company.
