President’s Welcome

WISE WORDS FROM SENIOR’S VICE PRESIDENT – MICK COLLINS

Hello all and welcome to the bears third game of the season. Today we have a tough game ahead as the Toowoomba Rangers come across to heritage oval. Today will be a tough game with the bears coming off a tough loss at Roma and looking to redeem themselves. This year bears have had several injuries, one of these being Kenny Lee who is recovering from a neck injury in the PA hospital Brisbane, however we are bouncing back well.

Today’s games will be a C grade, which consists of a few old boys and a young A grade side with each game looking to be great. We wish Rangers the best of luck but hope the bears get the win. Good luck and play hard. Go the grow!!! Yours in Rugby, Mick Collins – Senior vice president
